CORAM : A.M.KHANWILKAR,J.

19TH APRIL, 2005

P.C.:

1. The only grievance in this petition is regarding quantum awarded by the Lower Court. The Court below has determined maintenance amount at the rate of Rs.600/- per month. According to the petitioner, his yearly income does not exceed more than Rs.9,000/-, for which reason, the amount fixed by the court below is excessive. This submission clearly overlooks the concurrent

view taken by the courts below that in addition to the income derived by the petitioner as lecturer, he is assisted financially by his brothers as he is also carrying on their family business after college hours.

2. Taking overall view of the matter, two courts below proceeded to determine the amount of maintenance at the rate of Rs.600/- per month. I see no reason to interfere with the said concurrent view. Hence dismissed.
